

Pop-Up Gift Card Holder

Step-by-Step Directions – Pop up Gift Card Holder

Step 1: With the [Seasons of Style DP](#) placed landscape in the top of the [Simply Scoring Tool](#) score using your [bone folder](#) at 4.5cm, 10.8cm, 14.6cm, 17.8cm (in inches score at 1 3/4", 4 1/2", 5 3/4", 7")

Step 2: Crease along the score lines with a bone folder. The 4.5cm, 10.8cm, 17.8cm (in inches fold at 1 3/4", 4 1/2", 7") will be folded in a "valley" folds the 14.6cm (or inches at 5 3/4") will be folded in a "mountain" fold

Step 3: Centre and punch out using the [large oval punch](#), half an oval from the top fold line of the 14.6cm (5 3/4") score line

Step 4: Measure 1/2cm (1/4") from each side along the 14.6cm (5 3/4") score line and cut from the outer sides of the punched oval from the top fold line of the 14.63cm (5 3/4") score line using your [papersnips](#)

Step 5: Flip the DP over and place it on your grid paper so the 14.6cm (5 3/4") is now in a valley fold. Place a piece of thin strip of double sided adhesive along the outer left and right hand sides of the panel along the score line

Step 5: Peel the backing from the double sided adhesive. Fold the DP together, sticking the panels together. Flip the DP back over. The two panels that are stuck together should now be standing upwards

Step 6: Stamp your greeting from the [Many More Messages](#) Stamp Set, with [Gumball Green Classic ink](#) onto a scrap piece of [Whisper White CS](#), punch out your greeting using [1" circle punch](#)

Step 7: Punch a [7/8" scallop circle](#) from scrap piece of Gumball Green CS

Step 8: Stick your greeting to the Gumball Green 7/8" Scallop using a [stampin' Dimensional](#). Glue 1/2 the gumball green scallop with tombow and stick that to your Designer paper so it over hangs. Stick a velcro piece to the top of the DP and the piece opposite so you can close the gift holder. You're Done!
